

# Colorado Innovation Income Tax Credit

## Qualified Business Certification Report as of December 1, 2010

The following is a partial list of Colorado businesses that have been certified by the State of Colorado Office of Economic Development and International Trade as a qualified business in accordance with CRS 24-48.5-112. Investments made in a qualified business may qualify the investor for an income tax credit equal to 15% of the investment amount up to \$20,000 per tax payer id (subject to an annual program limit of \$750,000). Note that this list contains only those businesses that have returned an "Authorization to Publish" form to OEDIT, and as such, this list does not show every business that has been certified as a qualified business by OEDIT.
